# Give your writing some **ALTITUDE!**

The **Glen Eyrie Writers' Summit** brings together passionate writers, expert instructors and awe-inspiring surroundings for four incredible days of writing, learning and fellowship. Focus on the craft of writing surrounded by and taught by people whose lives focus on God.

**Keynote Sessions:** *Each morning, one of the instructors will speak on an aspect of the theme BRACE YOURSELF! Chock full of knowledge and wisdom that only comes from years in the business, as well as spiritual perspectives on writing. You won't want to miss this!*

**Workshops:** *In the first session, you'll choose your primary instructor for the week. You'll spend class time with this instructor every morning, write in the afternoons, and reconvene with your instructor in the late afternoon for a recap on your writing and "assignments."*

**Evening Discussions:** *A variety of activities to further improve your writing and build new friendships, including panel discussions, movies, and creativity exercises.*
